

PRESQUE ISLE ACADEMY Plan for Use of ESSER III Funds

- Invest in air quality by replacing our buildings boiler
- Install bottle filling station at drinking fountain
- Install hands-free faucets
- Motion-sensing switches with automatic shutoffs

The following categories must add up to 20% of grant:

- Additional teaching and paraprofessional staff to maintain small class sizes allowing for implementation of individual and small group interventions
- Purchase instructional materials, including online programs, to increase engagement
